

# Are you a young musician, composer, writer, producer, promoter or DJ?

The **talent programme** »Pop-Kultur Nachwuchs« connects 250 young creatives from all over the world with artists of the Pop-Kultur live programme and other leading industry professionals.

In **over 40 workshops** and **talks**, these **international experts** provide personal insights into their work and share their experience on how to make it in the pop music business.

»Pop-Kultur Nachwuchs« 2018 takes place from **15–17 August** at the **Kulturbrauerei Berlin**. This year's programme includes **master classes** with Lady Bitch Ray, Moses Schneider and Henrik Schwarz (more tba) and covers topics ranging from **artist management, recording and publishing, to promotion, booking and event production.**
