

# Pop-Kultur/lokal

**Pop-Kultur lokal: Call for Concepts** / Deadline: 20/04/2021, 11 a.m.

»Pop-Kultur lokal« is back in another round, aiming to present some of the most interesting Berlin locations and their networks – locally or online. We encourage you as organisers to apply with your idea for an event focussing on music, but which can also be interdisciplinary or discursive.

Spread the word, and let us know by the 20th of April 20, 2021, at 11 o'clock via the application form below. Selected projects will receive a grant of 2,500€ for their implementation. If possible, events should take place outdoors with appropriate hygienic precautions; in the event that the situation does not allow for this, we also ask that you indicate an alternative online version of the project. The events themselves will have free admission.

This programme focusses mainly on performances by Berlin-based musicians, which may be combined with DJ sets or talks (all participants should be based in Berlin). When planning the content of each event, please be sure that female artists make up 50% of the overall lineup. Applicants are required to ensure barrier-free access to the event and should also try to book people with disability. Applications that demonstrate a commitment to diversity will be given preference.

The events to be funded will be determined by a jury composed of: DENA (musician), Michael Aniser (Off-Kultur), Dominique Schweizer (Amiont), Anton Teichmann (Off-Kultur), Ella Zwiethnig (musician, UMA), as well as Lisa Herzog (Pop-Kultur). »Pop-Kultur lokal« will be connected to the festival's official communications office and will receive financial and marketing support from Pop-Kultur.

The events will take place between June and August 2021. Preference will be given to event organisers who have not yet received funding from Musicboard.

The application form is available [online](#) or [as a PDF](#).
