

# APPLY Pop-Kultur/lokal NOW!

**Pop-Kultur lokal: Call for Concepts / Deadline: 02 April 2024, 6 pm**

The "Pop-Kultur lokal" series initiated in 2018 is entering the next round. In 2024, we would also like to support exciting Berlin spaces and their networks in their representation. If you would like to organise an event with live music during the week between May and August 2024, we will support your idea financially.

The focus is on performances by Berlin-based musicians. Combinations with DJ sets or talks are possible (here, too, the protagonists must be based in Berlin). In addition to gender diversity in the line-up, we ask applicants to make the event as accessible as possible. They should also endeavour to integrate people with disabilities into the line-up. Applications that reflect diversity will be favoured.

Our four-member jury will select four concepts from the applications received. Each sponsored event will receive a financial grant of €2,000 net and will be communicatively supported on our online platforms.

The events must be attended for a maximum entrance fee of €5.

Applications must be submitted via the linked application form by 2 April 2024, 12 noon. Further information on the application and previous events can be found on our [website](#).

The application form can be found here [online](#) or as a [PDF](#).

Funded events will be selected by a four-member jury consisting of Michael Aniser (Off-Kultur), Anton Teichmann (Off-Kultur), Danielle Rahal (Weeeirdos) and Nadine Moser (Pop-Kultur).
